

Thanksgiving Day... Newman bound... Thin and dapper...
...cameraderie did abound... a cozy setting... safe and sound...
Nobbody gained... "just one pound" Like we felt...
this note must be read... in the roundio
The family gathered... mound after mound... our belts...
mound tightly... Elegantly gowned... what a feast...
mound after mound... in the roundio

Dear Barbie and Michael,

To thank for a thank you note for Thanksgiving is unusual,
but in your case it is our way of recognizing your special poetic
message in a roundabout way.

Love,
